

# VBS Field Trip

Your child will have the opportunity to take a field trip to Rabbit Head Farm in Hardy, VA during the week of VBS! Our time on the farm will give us a real-life connection with the parables we are exploring all week long. We will visit with a menagerie of farm animals and investigate greenhouse plantings as we take in the beauty, peace, and JOY of this idyllic setting.

Children should wear old clothes and closed toe shoes on their designated day! We will leave the church premises after opening programs and return to the church before the closing program. Tuesday, Wednesday, and Thursday will be field trips days with **2 age groups attending each day.**

We will travel in private vehicles and ask you to help install any safety seat your child uses at drop off that morning. This will assure that all children are safe and comfortable. If you would like to join us on your child's designated day, we welcome you!

A permission slip will be forthcoming, and we will inform you of the date of your child's trip at pick-up on Monday after we learn the size of our age groups.

We look forward to a wonderful week together as we
